YOU CAN TELL BY TELEPHONES

One of the best barometers to study when you are in doubt as to whether or not a community is growing is to compare the number of homes with telephones in use at present with a period of say a year or more ago.

If a community is not growing it is certain that the number of telephones will not increase. So, let us take a look at the official figures as issued by the B.C. Telephone Co., having in mind the Saanich Peninsula and the Gulf Islands, covered by six exchanges. In January, 1937, there were 1,257 telephones in use, and in July, 1938, 1,363, showing a gain of 106.

Here is the line-up of exchanges, showing the individual gains, which should prove interesting to most of our readers:

	1937	1938	Gain
ALBION (Gordon Head)	190	204	14
COLQUITZ	314	343	29
GANGES	150	185	26
KEATING	256	260	4
MAYNE ISLAND	39	47	8
SIDNEY	299	324	25
TOTALS	1257	1363	106

We have always maintained that there is no boom on in the Saanich Peninsula and Gulf Islands — but there is always a slow, steady growth going on the year round, which is, perhaps, the more desirable.

As more homes are built, naturally more telephones are installed, for a home in this modern age without a telephone is a home isolated from the community's activities, the doctor, police, hospital, fire hall, etc., in cases of emergencies.

When one stops to think that 106 more telephones have been installed in homes throughout the Saanich Peninsula and Gulf Islands during the last 18 months, it is indeed comforting, considering the trying period we are all going through.

WEDDING OF INTEREST SOLEMNIZED

Alex. McDonald, Former Member For Islands, Married In Vancouver

A wedding of interest to residents throughout the Saanich Peninsula and Gulf Islands took place on Wednesday morning, July 20th, when Miss Muriel Larson, daughter of Mrs. A. M. Larson of Vancouver and the late Mr. A. M. Larson, was united in marriage to Alexander McDonald of Sidney. The ceremony took place in the chapel of St. Andrew's-Wesley Church, Vancouver, Rev. Gordon Dickie officiating.

The chapel was beautifully decorated with summer flowers.

The bride, given in marriage by her brother, Frank T. Larson, Quebec, chose a graceful princess gown of white satin. The full puffed sleeves ended in deep fitted cuffs, the yoke neckline and inset medallions were of Bruges lace. She wore a small turban which held in place the shawl veil. The bride carried a shower bouquet of blush Ophelia roses and white carnations.

Miss Beatrice Larson was her sister's maid of honor and wore a net gown of pale pink, with matching straw vanity model hat. Miss Margaret Spence, who came from Ottawa to act as bridesmaid, was gown in pale blue net.

E. W. Banks attended the groom, Nuptial music was provided by Mrs. Marion Gilderleeve and Miss Muriel Ramsey.

The service was followed by a wedding breakfast at the home of the bride's mother. To receive her guests Mrs. Larson chose a gown of royal blue silk crepe, with yoke and sleeves of cut velvet, with a small metallic turban and short veil, wearing a corsage of tea roses.

Jolly Party At South Pender Island Friday

SOUTH PENDER ISLAND, July 27. — The party on Friday night was a huge success, about 55 people being present — a large crowd from North Pender in Lyall Brackett's boat, other visitors from Maple Bay, and Samuel Island, also Saturn. Music was furnished by Sonny Ralph with his accordion, Norman Fawcett on the saxophone, Fred Conery on the guitar and a violinist from Samuel Island. — Mrs. Hodgson at the piano. Mr. Alexander of the Berens played the piano for quite a few dances.

There will be another party towards the end of August.

DANCE AT GALIANO ENJOYED

GALIANO ISLAND, July 27. — On Friday night, July 22nd, the "Rhythmic Rascals" Orchestra from Victoria put on a delightful dance in the Galiano Hall. It was largely attended by summer visitors, as well as residents of Galiano and Mayne Islands.

Supper was served by the Hall. — Mrs. A. New and Mrs. Nicholls in charge of arrangements.

David Armstrong of the orchestra was master of ceremonies, and announced that on August 5th, they would return to Galiano to again play at a dance. He expressed his appreciation to the large crowd for their splendid reception, and loud applause was then given the orchestra.

FAREWELL PARTY AT VANCOUVER

Susan McConnell and Miss Marjorie Forester were joint hosts for a farewell party which took place at the latter's home. (Continued on Page Three.)

PLAN DANCE TO HELP BUY NEW PIANO

GANGES, July 27. — The Ganges Farmers' Institute met on Monday evening, July 18th, in the Mahon Hall, Ganges, the president, R. O. King, in the chair and a good attendance of members present.

It was decided to purchase a new piano for the hall and to sell the old one, which has been in use for several years.

A dance is being organized by the directors to be held on Labor Day. A town orchestra will be engaged to supply the music and a committee will be appointed to look after the supper arrangements. The proceeds from the dance will go towards purchasing the new piano.

Several names were proposed to form a committee to take over the management of the tennis courts in the hall grounds and it was hoped to get the remainder of the government grant soon to complete the labor on the courts in readiness for play.

Orders were taken by the secretary, H. Littlefair, for agricultural lime for fall use and also for feed required by institute members.

CHURCH PICNIC WAS HAPPY AFFAIR

Experimental Station Park Scene Of Annual United Church Event

The Sunday School and congregational picnic of the Sidney pastoral charge of the United Church, comprising St. Paul's, Sidney, and South Saanich Church, which was held on Saturday at the Experimental Station Park grounds was a great success. About 150 children and adults were present.

A joint committee comprising the following had charge of the arrangements: Mrs. E. R. Hall, Mrs. A. Gardner, Miss Jean Gardner, Mrs. F. James, Miss Deering, E. R. Hall, W. McCulloch and Frank James.

A program of sports and novelty races was held in the afternoon and evening. In addition there was clock golf for the ladies and horseshoes for the men. Two soft ball games were also played and the ladies' team made short work of the men.

Supper, comprising all sorts of good things, was served by the ladies. After supper the retiring minister, Rev. Thos. Keyworth, at the request of E. R. Hall, in a few well chosen words introduced the Rev. D. M. Perley, Mrs. Perley, and their daughter, Miss Helen Perley. Mr. Perley, who is taking over the pastoral charge, made a short address in reply expressing hope for a successful time in the future. Just as supper was finishing, everybody was delighted to see Mr. and Mrs. Alex. McDonald, who arranged their wedding tour so as to be present.

It was a great opportunity for everybody to meet Mr. and Mrs. Perley and full advantage was taken of the occasion.

Of course the inevitable ice cream, without which no picnic would be complete, was enjoyed by everyone.

A impromptu terminated the gathering and at 8:30 all went home after having spent a real good time.

SALT SPRING FOREST FIRE DOES GREAT DAMAGE

GANGES, July 27. — In the early hours of Wednesday morning Gavin C. Mount reported a fire raging at the north end of Salt Spring Island, apparently having started from a fire left by campers on Maple Beach.

A crew of over 100 fire-fighters was dispatched and worked night and day to bring it under control. It is said that approximately 1,200 acres of timber have been destroyed. It is by far the worst

ARDMORE GOLF CLUB DANCE SUCCESS

Members of the club forgot for a while such things as mashies, divots and "Old Man Par" and turned their attention to frills and flounces, visiting officers and the much-discussed controversy of boiled shirts versus white flannels. F. J. Baker, who was the convener of the dance, received many congratulations for the splendid way he organized it and the thanks of the club go to him for his untiring efforts in making it an outstanding success.

The Agricultural Hall, Saanich, in the capable hands of Capt. Gibson, was hung with many-colored flags, pennants and bunting, and coupled with the lighting arrangements made by Donald Baker, produced a very pleasing effect. Mrs. Gibson and her helpers were responsible for the masses of flowers which banked the stage and decorated the supper tables.

The reception committee consisted of G. F. Pownall, president of the club; F. J. Baker, vice-president; J. C. Anderson, captain; and W. T. Sisson, secretary, while their wives acted as hostesses.

Troops Impressive Sight On Reviewing Field; Likely To Come Next Year

"All is quiet on the western front," might now be applied to Sidney and the surrounding territory after the excitement and bustle of the past week when some 1,200 troops, who were encamped here, returned to their homes on Sunday.

Mock battles, field manoeuvres, route marches, etc., representing the largest military manoeuvres ever carried out on Vancouver Island, were held throughout the week over an area on the Saanich Peninsula extending from Royal Oak in South Saanich to Swartz Bay, North Saanich, in the north, and from Sidney to Saanich Inlet from east to west, under the officer commanding, Brigadier J. C. Stewart, of Military District No. 11.

Official review of the troops by Brigadier Stewart was staged Saturday morning when they marched past the saluting base three times. In the first circuit the units marched to the band of their own regiment; in the second, they were joined in a mass march, and the third march past took the form of a column of route.

The North Saanich War Memorial Park was like a carnival all week with a regular sports program put on by the troops to which the public was welcome. Each evening ball games, boxing, concerts and moving pictures attracted hundreds of local citizens and a grand final concert was held Saturday evening after a day's program of sports. The Saturday evening concert was an outstanding affair, the artists showing exceptional ability and the on-lookers enjoying every minute.

Thursday evening a box lacrosse exhibition game between James Bay and Oaklands teams, arranged by Joe Mitchell, local veteran lacrosse player, was staged in the box lacrosse enclosure at the park for the troops. Joe Mitchell, Melvin Clanton and Bert Bowcott, local players, were in the line-up of the James Bay players. The play was close but James Bay finally managed to win the battle by the narrow margin of 14 to 13.

Troops on the field of Stanley and Philip Brethour, where the review took place, made an impressive sight in their uniforms with full equipment, spick and span, bayonets glistening in the sun, and stepping lively to the music of the bands.

This is the second year the camp has been established in Sidney, through the efforts of the Sidney Businessmen's Association, and comments by officers and men would lead one to believe the site is ideally located for the purpose. It is intimated that there is the possibility of the camp being located in Sidney again next year for a period of two weeks.

The weather was ideal for the camp, although a little on the warm side for a day or two, but the prevailing wind from the southeast never failed to refreshen things each afternoon at the camp.

The town of Sidney, with the troops about during the week, and an extra heavy tourist traffic by the ferries, took on the appearance of a town bulging with humanity — the hotels, restaurants, confectionery stores, garages and filling stations enjoying the busiest period for a long, long time.

house of C. S. Wing on the East Road about a mile north from their old home on the East Road.

Mr. and Mrs. Alex. McDonald, who were married last week in Vancouver, have returned from their honeymoon trip via motor from the American side and are planning a further holiday up-island before settling down in their home in North Saanich.

In the recent pass list for matriculation was the name of David Frank Pownall of Shawnigan Lake School.

Mr. Bert Bishop of Mayne Island is visiting in Sidney.

"Caddy," the sea serpent, is apparently in local waters again! It is getting to be a common thing in this vicinity. This time it was Bert Ward and his father, Charlie Ward, of Sidney, together with Mr. and Mrs. H. B. McLean of Vancouver, that had the privilege to see the strange creature of the sea about 400 yards off the shore

at Deep Cove. They estimated its length between 30 and 40 feet, and state it resembled a gigantic eel and travelled through the water at high speed. They say it bears no resemblance to a sea lion or blackfish.

The minister at South Saanich and St. Paul's, Sidney, United Churches next Sunday will be the Rev. J. G. Bompas, formerly assistant at First Church, Victoria, and now of Elstow, Sask.

Mr. and Mrs. Eric Smith and small son Ronnie of Vancouver are visitors at the home of Mr. and Mrs. G. A. Cochran.

Mrs. W. H. Dawes of Koksilah has returned home after spending a week at the home of Mrs. T. R. Davis, Swartz Bay.

Congratulations are being received by Mr. and Mrs. V. E. L. Goddard, Royal Oak, on the birth of a daughter at the Royal Jubilee Hospital on Friday, July 22nd.

Mr. and Mrs. Thos. Keyworth have returned from their honeymoon up-island, and spent some time in Sidney before leaving for Grand Forks, B.C., where Mr. Keyworth will take charge of the United Church pastorate.

A farewell tea is being given at the Ardmore Golf Club for the president and his wife, Mr. and Mrs. Pownall, on Friday, July 29th, at 4 o'clock. All members are invited.

Mr. and Mrs. F. Watling have sold their home off Marine Drive, near Rest Haven, to Mr. Ray Rowse and have moved to Beacon Avenue to the house owned by Mrs. Halsey, near the Sidney Trading Co. store.

Mr. and Mrs. Ben Readings and small son are moving at the first of the week from Marine Drive to Bazan Bay Road.

An engagement announcement of interest locally is that of Mabel Juanita, daughter of Mrs. Appleby and the late John B. Appleby of Galiano Island to Ernest George Jackson, son of Mr. J. T. Jackson and the late Mrs. Jackson of Chemainus and formerly of Sidney.

Friday noon fire was observed burning in the grass and travelling towards Mr. and Mrs. G. A. Cochran's home from the beach between Second Street and Bazan Avenue. The local fire brigade turned out and subdued the blaze. Investigation showed that the fire had spread from burning logs on the seaford. All citizens at this time should take extra precautions with fire. In fact the danger of fire is so great in this dry weather that all camp fire permits have been cancelled by the Provincial Police.

During the night on Monday a large fish packer with a crew of 14 ran aground on the sand at Sidney Spit. But as far as can be ascertained it was floated off at high tide none the worse of the experience.

Work at the airdrome is proceeding apace. It is a source of wonder to all viewing the equipment at work. The machine age is surely here. One huge, powerful caterpillar now at work scoops up no less than 12 cubic yards at a time, and working in three shifts, 24 hours a day, it has been estimated can move as much dirt as 1,000 teams of horses could move in a one shift day. Six caterpillars are now on the scene, four diesels and two gas, and will all be on the job soon, it is believed. Many men expected to secure employment on the project, but with the latest equipment in machinery the number employed will not be great. Great disappointment has been expressed by those seeking work—but such is the modern trend of things and this is only one of many examples that could be cited to show how new inventions are replacing manpower. Truly, it does not take a great deal of brains to figure out that there never will be employment for all again—unless there is a change. The change, wherein we work but a few hours each week in order that all may have a share of the necessities of life.

SOFT BALL

Macdonald Electric (the local boys) certainly blew a few fuses Wednesday evening when they short-circuited and grounded when playing the Victoria Longshoremen to such an extent that the visitors applied a thick coat of whitewash, the score reading 6-0.

The Longshoremen were in fine form and took advantage of the state displayed by the Macdonald clan.

Guns tossed in the offerings for the first three innings for Sidney and was replaced by Byers for the remainder of the game.

However, the team, its managers and sponsors, deserve a lot of credit for the showing they made during the last half of the season. The boys certainly threw a big scare in to the leading teams during the last few weeks.

The local team will play in the two knockout cup games, scheduled to be released later.

GIRLS WIN

The local girls (Hunt's Garage) won by default Tuesday night from E-quinault S. and S. Club.
